

FRANKFORT FIRE DEPT. PICNIC SUNDAY

MOKENA BOARD CONSIDERS
MODIFYING SEWER-WATER PLANSMokena Man Injured
In Auto Accident

Mr. Edwin Dunham of Mokena is recovering nicely from his recent auto accident, which occurred as he was returning from a business trip in Champaign. The accident happened on Route 45, just on the outskirts of Champaign.

In some unexplainable way a semi-trailer traveling in the same direction collided with the front end of Mr. Dunham's car. Mr. Dunham was alone in his car at the time. He was taken to the Champaign hospital in an unconscious condition, and it is almost miraculous that the only effect he suffered from the accident was shock.

The next day Mr. Dunham's brother-in-law, John Haislet, of Fort Lauderdale, Fla., who was visiting here at the time, drove to Champaign and brought Mr. Dunham home.

Mr. Dunham's car was badly wrecked in the accident, and it is not yet known if it can be repaired. It was fully insured.

FLORENCE
SCHULTZ WEDS
JOHN BALL

Immanuel Lutheran church, Mokena, was the scene of a beautiful wedding June 21 at 7:00 o'clock when Miss Florence Schultz, daughter of Mr. and Mrs. Charles Schultz of Frankfort became the bride of Mr. John Ball, son of Mr. and Mrs. John Ball of Frankfort. The Reverend A. W. Gode officiated at the double ring ceremony.

The altar was banked with ferns and greens, lighted with tapers in tall candelabra. The pews were decorated and marked with nosegays of flowers tied with satin ribbon.

Miss Anita Guether, organist, accompanied the soloist Mrs. Jack Watkins who sang "Because," "Oh Promise Me" and "The Lord's Prayer."

The bride, escorted by her father, was dressed in white slipper satin and chantilly lace. The gown was fashioned with a small lace collar, lace bodice with long lace tapering sleeves, a satin bouffant skirt with a lace insert fitted to a long train. Her fingertip veil fell from a braided halo trimmed with pearls. She carried a bouquet of white roses centered with an orchid.

Her only jewelry was a key pin 75 years old, belonging to the groom's mother, and a single strand of pearls, a gift from the groom.

Mrs. Shirley Peters, sister of the bride, served as matron of honor, wearing a mint green nylon net over taffeta, with a Peter Pan collar, a lace bodice and a bouffant taffeta full skirt with nylon net. Miss Eleanor Schilling and Miss Eileen Hedge, friends of the bride, were bridesmaids and wore sunshine yellow gowns styled as the matron of honor's. They carried bouquets of pink roses with green ribbons.

George Ball was best man and Judson Kodak, Charles Schultz were groomsmen, Donald Ball and Harold Peters were ushers.

The bride's mother was dressed in blue crepe with white accessories and the groom's mother wore pink with white accessories. Both had corsages of roses.

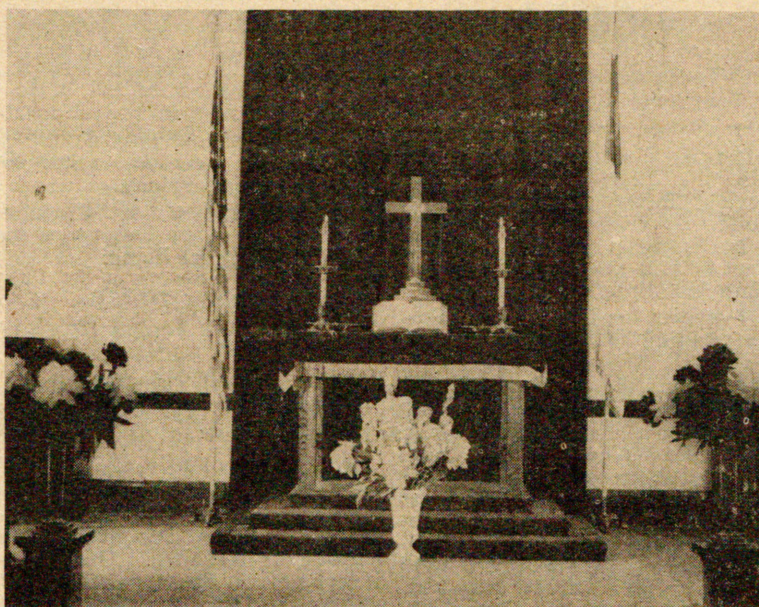

Following the ceremony a reception and buffet supper was held in the Mokena VFW hall, attended by 350 guests. The Ladies Auxiliary served the supper assisted by the Schultz and Mrs. Norman Schilling. The bride's table was centered with a four tiered cake and white tapers in crystal holders. Mrs. William Ball and Mrs. Don Ball served the cake.

Misses Doris Schultz and Jean Bettenhausen were in charge of the guest book. Hilbert Schultz four piece orchestra of Blue Island furnished the music for dancing.

The bride's going away outfit was a navy checked suit with white accessories. She wore an orchid corsage. The couple motored to St. Louis, Mo. They will make their home temporarily with the bride's parents. The bride is employed at the Illinois Inspection Bureau in Chicago. The groom is a pipe fitter for the Illinois Central railroad in Hazel Crest.

Guests were from Chicago, Blue Island, Frankfort, Tinley Park, Mokena, Orland Park, Mokena, Homewood, New Lenox, Joliet, Spring Valley and Mendota.

Gift to Church from Green Garden MYF

Several weeks ago the News-Bulletin carried a story of an altar-piece to be presented by the Youth Fellowship of Green Garden Methodist church. The altar piece is shown above. It is about four by seven feet. The three steps represent faith, hope and love.

CIVIC ASSN.
TO PUSH
HOMECOMING

This evening, July 10, the Mokena Civic association will hold its regular monthly meeting at 8 p.m. in the Vets hall. Everyone is invited to attend.

Further work will be done on plans for Mokena's 13th Annual Homecoming to be held August 15, 16 and 17. Elmer Schoeneck, general chairman, has announced that a novel feature of the Homecoming this year will be a White Elephant Auction on Saturday night at 8 p.m., and on Sunday evening also, if there are enough items left to auction. Local auctioneers will be hired.

Bob Hohenstein has consented to pick up and store items for the auction, so anyone wishing to donate something, please call him at Mokena 2531. If every family in Mokena gave one item to the auction we would keep the auctioneers busy for two nights and undoubtedly make money.

Almost anything would be acceptable provided it still has some usefulness—an item of furniture, clothing, lamps, tools, jewelry, rugs, dishes, camping equipment—the list is endless and you can think of many more.

The Mokena Civic Association plans to use everything cleared at this year's Homecoming on the purchase of land for a Mokena recreation park, where future Homecomings can be held and where the children of our town will have recreational facilities in the most popular sports.

Little Boy Flies
From N. Y. Alone

Richard Landahl, the five year old grandson of Mr. and Mrs. Gustave Landahl of Mokena, flew alone from New York City to visit his grandparents on Sunday, June 29. His grandparents met him at the airport.

Richard was but a year old when he visited his grandparents the last time, but they recognized him at once because of his close resemblance to his father, their son.

Little Richard is enjoying the fresh air and sunshine of Mokena, which he finds so different from being cooped up in a apartment in New York, and is not a bit lonesome.

He especially enjoys the chickens and the company of a dog.

Child is Badly
Stung by Bees

Eugene, the three-and-a-half year old son of Mr. and Mrs. Kenneth Richardson, of Marley, was severely stung by bees last Thursday morning. The Richardson's were visiting at the Fred Brown farm west of Marley where some beehives are kept in the fields. The little boy wandered off into the fields and a few minutes later came back screaming. He had been stung many times by the bees. Some 40 or 50 stingers were pulled out of the child's face, back and arms.

Eugene quickly recovered from the shock and suffered no ill effect.

CARD PARTY SAT. NITE

The Auxiliary of the William Martin VFW Post will conduct a card party in their hall in Mokena Saturday evening, July 12, starting at 8 o'clock. The committee in charge consists of Mrs. Gordon Doctor, Mrs. Dora Roesener and Mrs. Fred Hentsch.

Mary Champlin Dies
In Wheaton at 85

Mary Rhoda Champlin (nee Burns), who passed away Sunday, June 29, at Wheaton, Illinois, lived for a number of years in Mokena and Tinley Park with her daughter Mrs. Leroy E. Davis.

She was born at Wausau, Wisconsin, December 15, 1867, to John Burns and Fanny Putnam. Her grandfather, William Walker Putnam, who came to DeKalb County, Illinois, in 1835 in a covered wagon from Waterville, Maine, when her mother Fanny was 7 years old, was first cousin to Israel Putnam, Senior Major General in the Revolutionary forces. Mrs. Champlin's parents migrated westward when she was fifteen to South Dakota, where she taught school at the age of sixteen. Later she wrote the Prairie State's State Song, "Hail, South Dakota."

She married Palmer Swan Champlin, whose people came to Dakota from Kane County, Illinois. To them two children were born, Myrtle Putnam and Harold Ransome. For ten years, from 1904, Mrs. Champlin and her children lived in Kansas City, Missouri, where she was a designer and pattern maker in women's suits and dresses. Her son was a member of the Rainbow Division in World War I, during which time she was in New York, first as chairman of Women's Overseas Unit, which raised funds, organized and maintained War Orphans' Hospitals in France; later she put on the New York market a line of fine hand loomed textiles which grew out of the Vanderbilt industries near Ashville, North Carolina, which she gave the trade name "Carabola."

Following the war the family was reunited in Miami, where Mrs. Champlin had a seasonal Gown and Gift shop in the Fleetwood Hotel, did feature writing and was active in church and civic work. In 1940 she came to Illinois to make her home with her daughter, Mrs. Leroy E. Davis.

Mrs. Champlin's entire life was characterized by elevation of thought and devotion to high ideals. She had great initiative and varied talents, and a charm and vivacity which endeared her to many friends. In adversity she possessed great courage. She adhered steadfastly to the tenets of her religion, and served as a practitioner during much of her adult life. She was a pupil of Adam H. Dickey, C. S. D.

Services were held in Downers Grove. The remains were taken to a crematory in South Bend, Indiana by her grandson, Leroy E. Davis II.

Re-Hire Harold
Miller, Treasurer

The following was carried over from last week's issue of the News-Bulletin because of lack of space.

At the regular meeting of the Mokena village board, which was held Tuesday evening, July 2, the board voted to rehire Harold Miller as treasurer, Edward Martie as maintenance man and Harry Schenk as village attorney. The firm of Bamsley & Kener will be engaged to audit the books.

The contract to do grading on village streets was let to the lowest bidder, Walter Yunker. Cliff Hammond, excavators, will do some of the work.

Vandals Strike
Twice in Frankfort

A burglar broke into the home of James Raffauf, Jr., of Frankfort, Tuesday night, July 2, sometime around midnight, picked up some money and dropped it when he became frightened. The money was found later on the floor. Nothing was taken from the home.

Mr. Raffauf, who works with the American Airways and is studying to be a pilot, was not home at the time of the incident. Mrs. Raffauf was awakened by the barking of her dog, and got up to investigate. She saw a man standing in the shadows of the kitchen and screamed.

Local police and volunteer workers were soon on the scene and combed the area thoroughly, but could find no trace of the burglar.

Another lawbreaker was at work in Frankfort Friday night, July 3. When Mrs. Katie Fink, postmistress of Frankfort, and her husband, Chris, were returning to their home late Friday night they discovered a large bundle of Chicago morning newspapers on fire in front of the post office. These papers, which were for Saturday morning sale, were Frankfort's entire supply of Chicago morning newspapers. They were completely destroyed.

MURDER TRIAL
PLAY SET FOR
TOMORROW NITE

Did Karen Andre commit a murder or not? is the question that must be answered by the jury at the Mokena public school tomorrow and Saturday nights, July 11 and 12, when the Mokena Village Players present "The Night of January 16th". This play had a long run in New York in the past four years, and has finally reached Mokena where the talented members of the Mokena Village Players will keep you on the edge of your seat.

Mrs. Virginia Sherwood, director of the play, says that scenery for this play is unusually simple and remains the same throughout the three acts of the play, the courtroom of Judge Heath in the Superior Court of New York.

The school stage has been very cleverly arranged to give a perfect illusion of a courtroom.

The jurors who are selected from the audience will witness the play as real jurors from the jury box on stage and bring in their own verdict at the end of the last act. Two short endings are written for the play—to be used according to their verdict.

Which is your verdict?

Opens Piano Studio
In Frankfort Home

Mrs. David B. Munson of Frankfort is opening a piano studio in her home at the request of several mothers. She has been a teacher of piano for many years. Her career began in Texas as assistant to her instructors, and continued wherever the Munsons have been located.

Before entering Northwestern University at Georgetown, Texas, Mrs. Munson studied piano with several private teachers. She also studied with Dr. Rudolph, founder of the Texas conservatory at Austin, and pipe organ under Dr. Holzworth, of Wilmette, Ill.

Information can be obtained by calling Frankfort 3481.

To Be Installed in
Will County Legion

These are the men to be installed Friday, July 11 in the Will County American Legion which consists of 12 American Legion Posts in Will county and over three thousand American Legion members.

Fred D. Brown, Commander, 602 Western Ave., Joliet; L. O. Gunther, Sr. Vice Commander, Monee; K. L. Oetter, Jr. Vice Commander, Frankfort; Marvin Craig, Chaplain, Steger; Murray Kirsch, Service Officer, Joliet; Cliff Heylin, Sgt. Arms, Manhattan; Merle Harrison, Adjutant, Joliet.

They will be installed at the Legion hall at Manhattan by Les Siedschlag, 11th District Commander of McHenry. Every one is welcome.

Wayfarers Sponsor
Ice Cream Social

The annual ice cream social sponsored by the Mokena Wayfarer's club will be held on the lawn at the home of Mr. and Mrs. Harley Mann, 142 First street, July 13. It is open to the public.

The social starts in the afternoon and will continue into the evening. Ice cream and cake

The Frankfort Volunteer fire department will sponsor their annual picnic Sunday, July 13. It will be held in the Frankfort grove, on route 45, 1/4 mile north of the village and will start at noon.

The committee in charge has planned games, races and other entertainment that will be pleasing to all. In the evening there will be dancing to music furnished by a good orchestra.

One of the main features will be a band concert given by the Joliet champion American Legion band. This band is well known in this territory for its winning of band contests.

There will be awards made every hour from 2 o'clock until 10.

No one served by the Frankfort fire department should be urged to attend this picnic, for when there is a fire in their territory, they do not wait to be urged to go to it. But they do need money to maintain the organization and equipment, and this is the way they do it. And yet at the same time, those attending will have a good time.

Not so the firemen when fighting a fire, especially when it is a stubborn one, for which the firemen receive no pay. So, it behooves everyone to make no other plans for Sunday afternoon and evening, and go to the grove and show the firemen that they are appreciated, and that those in their territory and everyone else, are glad to attend the picnic and at the same time not only have fun but also help the fire laddies to carry on their work for others.

Parents Urged to
Attend Cub Scouts
Monthly Pack Meets

New Lenox Cub Scouts, Pack 8, met recently at the new ball diamond with Mr. Charles Meyers in charge. Den 1, with Mrs. Doris Cooper as den mother, won the monthly award for having the most parents present. All parents are urged to attend these monthly pack meetings, to help their den win the award and also learn what their boys have accomplished.

These monthly meetings are held the last Tuesday evening of the month. The planning meetings are held the Tuesday evening previous to the pack meeting, and Mr. Meyers expressly urges the parents to attend to help the pack plan the activities for the coming month. It was announced that the Pack was to hold a bakery sale July 12 at the New Lenox library.

The drive for scrap iron is on in New Lenox, as announced by chairman Keith Hossack. Any one wishing to donate any scrap iron may deliver it to the place between the fire station and Mel Whitaker's office. If it is impossible to deliver, Mr. Hossack will call for it.

The rest of the meeting was turned over to the display of kites, made by the different dens. Prizes were won by Leslie Osborne for having the largest kite, Martin Cooper for the smallest, Orvin Erickson for the prettiest, Larry Brolich for the funniest and John Warring for flying his kite the highest. Donny McCowan and Arthur Gaspar won their Bobcat pins. The ball diamond has been set aside for the use of Pack 8 each Tuesday evening for the boys to practice playing ball and the dads are urged to come too to help them. Ball games with Cub Packs from other towns are being planned for the future.

will be served. The event is being held for the benefit of the Wayfarer club. Everyone is invited to come and have a good time.

Mr. and Mrs. Frank Broockman of Niles, Mich., formerly of Tinley Park and who live with their daughter, Mr. and Mrs. Henry Clark at Mokena, during the winter. Mr. and Mrs. Broockman celebrated their golden wedding anniversary at Mokena June 15.

Ideal Insecticide

Here's an ideal all-round insecticide recommended for home gardeners by vegetable crops men in the Illinois College of Agriculture.

They suggest a general-purpose dust containing one-half to three-fourths of one per cent of rotenone and three to five per cent of purified DDT.

All insecticides should be handled carefully, according to manufacturer's safety precautions.

PERFORMANCE and ECONOMY!

FAIRBANKS-MORSE

DEEP WELL SUBMERSIBLE PUMP

ECONOMY

Only ONE pipe of SMALLER diameter used inside well casing — does work of two.

Uses smaller motor — saves power.

No jets, rods, shafts to add to cost.

Pushes water up pipe — lowers power demand.

Quality construction — made of corrosion-resistant bronze and stainless steel. Impeller and motor shafts of lifetime stainless steel.

Easily, inexpensively removed if repairs are ever needed. If water level falls, no need to pull pump. Just add more lengths of pipe.

PERFORMANCE

Delivers up to 720 g.p.h. at a 300-foot setting — more at shallower settings.

Operated entirely submerged — both pump and motor.

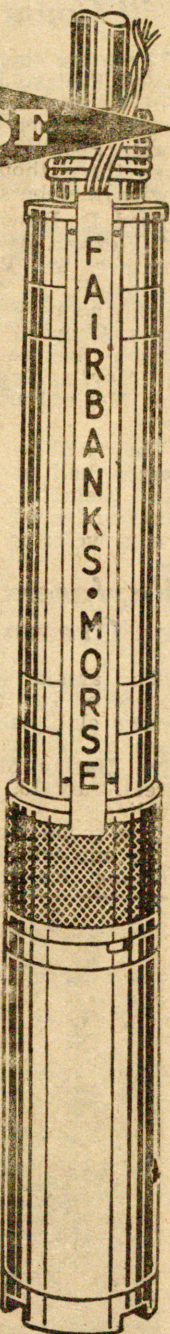

Pump never needs priming.

No motor or pump noises, or vibration.

Water cooled — water lubricated.

Pressure tank may be set over or away from well.

Service lines may be cut in below frost line.

Cool off!

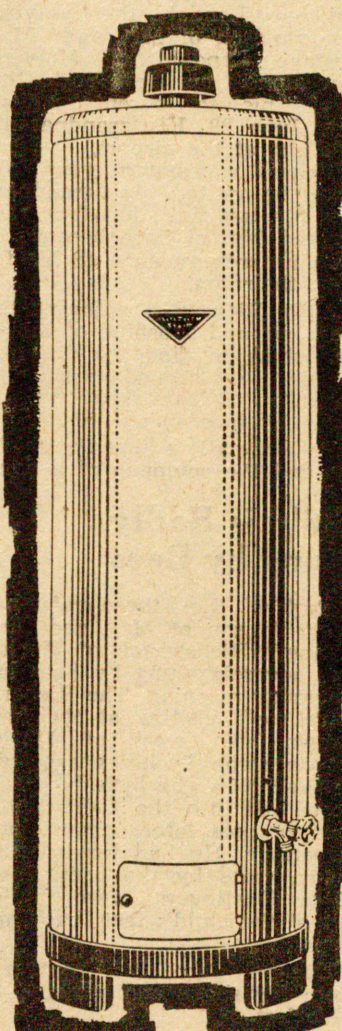

Get **HOT** water automatically with **GAS**

If you get "hot" when the water's only tepid... relax... get an automatic GAS water heater and have instant hot water 'round the clock. Life is easier when you have a GAS water heater... no more waiting... no more pampering an old-fashioned tank... no more "rationing" of hot water.

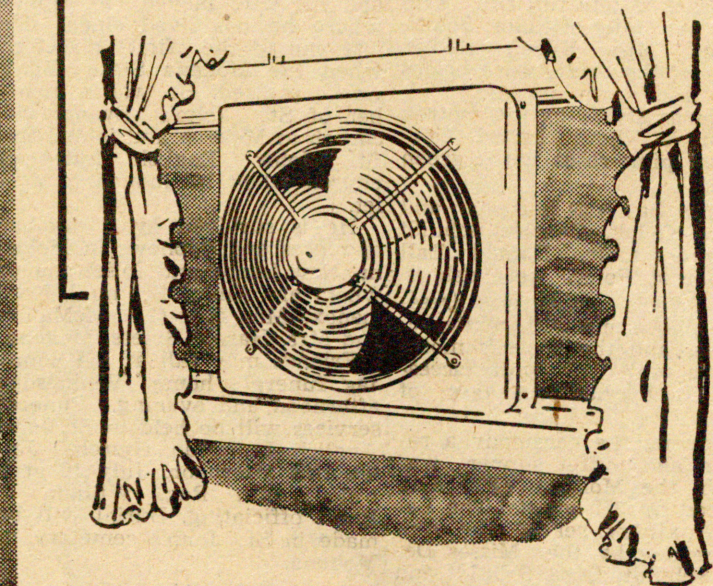

For just a few pennies a day you'll enjoy the luxury of loads of hot water. And only an automatic GAS water heater gives you "quick recovery"... each time hot water is drawn off, it's replaced quickly and automatically. Just turn the tap... and there it is!

Turn your hot water worries over to an automatic GAS water heater... and cool off!

Beat the Heat... get a **night cooling fan now!**

5 day free trial offer!
Use a night cooling window fan in your own home for 5 days... without charge or obligation. Simply call or visit our nearest store and the fan will be delivered to your home. See for yourself what comfort is!

Give summer heat the brush-off with a night cooling window exhaust fan! Just flick on the switch and the fan expels the stored-up, over-heated air that makes your home so hot on stuffy summer nights. As the hot air goes out, cool night air is drawn in and circulated gently through the rooms of your home. Room temperatures drop... you feel cooler and sleep better.

Easily portable night cooling window fans fit almost any window; they can also be switched from "exhaust" to "intake," if you wish.

Sleep in comfort this summer... get a night cooling window fan!

See the new automatic GAS water heaters and night cooling fans at our nearest store or your dealer's today.

Mrs. Sherman Knox
Orland Park 211W

The Orland Park Unit 526, American Legion Auxiliary, will meet Friday evening, July 11, at 7:30 o'clock in the school library. Dues are in order for the coming year, as this will be the last meeting before installation of the new officers. All members are urged to attend.

There will be an important meeting of the Orland Park Bowling league, Tuesday, July 15 at 7:30 o'clock in the Lutheran school. All sponsors and bowlers are asked to please try to attend this meeting.

The MYF of the Methodist church will sponsor an Ice cream and cake social, Friday evening at 7 o'clock in the social room of the church; if weather permits the affair will be outdoors. Everyone is invited.

Mr. and Mrs. Virgil Smith and daughter, Mrs. Arthur Walsten of Chicago, former residents of Orland were guests last week of Mr. and Mrs. Herbert Lucas.

S/Sgt. Warren Townsend stationed at Hunter Air Force base in Savannah, Ga., is home on a leave with his parents.

Mr. and Mrs. Joseph Croebe are new residents in Orland. They are now living at 147th and Woodland, coming from Mt. Greenwood.

Howard Nagel, son of Mr. and Mrs. Alvin Nagel, is stationed in Japan, arriving there June 24.

Francis H. Murray is serving in Korea.

John Kehoe, the barber, arrived home Tuesday from Vaughn hospital. He expects to be located in the Gen. Wood hospital in Milwaukee.

The Knoxes and John Kehoe were Sunday dinner guests of the Robert Driscolls in Lockport.

Mrs. Ruth Thomas of Battle Creek, Mich., visited with her parents, Mr. and Mrs. John Loebe for a few days last week.

Mrs. Ray Fielder and daughter of Vaughn, Miss, were guests of Mr. and Mrs. Charles Cooper. The Fielders are former residents of Orland Park, residing in the Edgar Cooper home.

Mr. and Mrs. Ben Weber had as their guests over the week end Mr. and Mrs. Chester Gasior of Chicago. Mrs. Gasior is a sister of Mr. Weber.

Dr. and Mrs. Virgil Henry have returned from a trip to Detroit, Mich., where Dr. Henry attended the convention of the National Education association.

Sgt. and Mrs. Elmer Manning and son have returned to Lackland Air base, San Antonio, Texas, after a three weeks leave, visiting their parents in Tinley Park and Orland Park.

It's a baby girl for Mr. and Mrs. Norman Kramer, born Sunday, June 29 in St. Francis hospital. Blue Island. The baby weighed seven pounds, 12 ounces and has been named Loretta Susan. Mother and daughter are doing fine and arrived home Sunday at 159th street, near Bell road in Lockport.

Clarence Creer returned home Sunday from a week's vacation trip to Oshawa, Ontario, Canada.

Editorial

MOKENA'S WATER PROBLEM

Concerning the much discussed water problem in Mokena, regarding which a great deal has been published in the last few issues of this newspaper, we want to go on record as being in favor of all improvements to the village provided they can be financially handled by the taxpayers without undue burden and provided they are of benefit to all.

In considering the propositions previously presented, which would saddle down the taxpayers for a period of forty years to pay off the debt, it is evident that in this period of time the interest paid out would equal the principal. For example, a principal of \$100,000 would cost \$200,000 over a period of forty years to finance.

We would like to offer a suggestion as an alternative. That is, that the village trustees raise the village water rates at once, say from a \$2.50 minimum to a \$4.00 minimum per quarter. If this were done, if you pay \$4.00 a quarter it would amount to \$16 a year. At the suggested rate as presented at the recent mass meeting it amounted to four times what our minimum is now, and the raise would have been from \$10 a year to \$42 a year, working a hardship on most taxpayers.

We suggest that instead of paying \$2.50 a quarter minimum let us pay \$4.00 a quarter minimum. In this way we would be building up a fund that will enable us to drill a new well and each year or so, as the fund would allow and the need arise, add improvements, extension of water mains, etc. In this way improvements could be made without paying out a dollar in interest.

With the \$5,000 reserve fund

we now have, we would have sufficient funds by the end of the year that if it was necessary the water mains could be extended and this could be done year by year as the money comes in. And there would be no 40 year period hanging over all of us. We would be getting the direct benefit of our money as we paid it in.

At present it would appear that the one well we have is still sufficient, as far as the volume of water is concerned. Engineers have stated that our well is the best available—a first class one. Our nearby village of Frankfort has had but one well until recently it was their good fortune to take over a well vacated by the E J & Railroad. Tinley Park with a population nearly three times as Mokena now has two wells.

An outstanding advantage of the plan here proposed is this: In case we should encounter a period of stress, the village could then lower the rate back to its former level, to ease the burden on the taxpayers. No such flexible arrangement could be expected under a 40-year bond issue, however, under the terms of which principal and interest would have to be met as they became due.

We might profitably borrow an idea from the state of Indiana which builds roads in this easy way. In Indiana they never build a road until they have the money to pay for it. This eliminates burdensome interest charges. Taxes are taken for this purpose every year, and when they have amounted to enough to build a hard road in the state they build the road, and never have to pay a cent of interest.

This idea to raise the water rates for the purpose of building up a reserve fund and thus eliminate interest charges is shared by other citizens of Mokena as we have been able to speak to them about it.

SCRIPTURE: Judges 4-5.
DEVOTIONAL READING: Psalm 33
12-22.

She Led Men

Lesson for July 13, 1952

WOMEN complain that this is a man's world. Well, it's half a man's world anyhow, because about half the grown people in it are men. But that's not the point. Women complain because men are the bosses.

men get the big salaries, men run the government. Women are teachers but men run the school board, and so forth. As a matter of fact, it can be doubted whether women actually would like it the other way. Women like men who are leaders, men with minds of their own, who can take hold of troublesome situations and straighten them out.

Wife, Mother, Judge

ANYHOW, Deborah was a woman like that. Her name means "Bee" and she was the sort of woman who would somehow sting lazy or timid people into doing their duty. She is the only one of the "Judges" of Israel who was a woman.

Now some female heroines are a bit odd, to say the least of it. Take Joan of Arc, who was a kind of bee herself, and who took over when the rightful leader hung back. Joan was the kind of girl who could hear voices no one else heard. She was not exactly the kind of girl any man would feel quite comfortable with. And naturally she never married.

But this Deborah was a wife and a mother. She made some man happy, she was a home-maker, children cuddled up in her lap.

When later she became a "judge" she had all the wisdom of common-sense and of normal experience as the basis of her other wisdom. She knew how mothers and home-makers feel. When it says that she "judged Israel" it does not mean that she ran for office like modern judges, or that any king had appointed her, for there was no king to do it. It means simply that everybody respected her judgment so much that when there were problems more tangled and twisted than common, they would go ask Deborah what she thought.

She Didn't Like a Sissy

ON one famous occasion Deborah did not wait for the man to come; she sent for him. He lived far from her home, and his name was Barak. She put an idea into his head, only it was not her idea, she claimed for it the authority of God.

Barak was to be a general, he was to recruit an army. She told him, there under the palm tree, where he was to get his army, where he was to take it and what to do with it when he got there.

Space does not permit the details that would show that Deborah's ideas were absolutely sound from a military point of view. She was a whole General Staff by herself.

But Barak backed off from his great opportunity. He would go, he said, provided she would go along. Now Deborah didn't like that. She liked a man who would go out on his own without having to have a lady at hand to tell him what to do. So she went; but she told him the journey would not be for his honor.

That, however, is another story. The point is that this Deborah was a woman so wise that the ablest man in the country at the time was not willing to do anything important without her advice.

Deborah's Daughters

DEBORAH was not the last woman whose wisdom and whose decisions have led men to success. There are today in the United States women in congress, both in the senate and in the house; a woman is in charge of manpower; at least one woman is a U.S. circuit judge, the next highest in rank below the Supreme Court. There was a woman governor of Wyoming as far back as 1924.

But for every woman who makes the headlines and who's Who, for every woman who has some official position, there are hundreds of others, unnamed and unsung, who are known in their homes and in their home towns for their unflinching good advice.

"Ask Mrs. —" is the first thing the neighbors think when something comes up. And sometimes a wise woman's reputation doesn't even get around to the neighbors. Sometimes it is only her family that know how wise she is.

But it is a safe guess that if you took out of our modern life all that women contribute, all the good acts and far-sighted policies that they have thought of first, ours would be a much worse world than it is.

Fine Return on Hay, Pasture Queries

About 1,200 farmers returned their hay and pasture questionnaires in only one week after "second notice" reminders had been sent out, reports J. A. Ewing, head of the federal-state crop reporting service.

That's an excellent return, and we hope the others will do the same thing, says Ewing.

Questionnaires were mailed to about 24,000 farmers in mid-May. About 2,700 of them had replied before reminder notices were sent.

Ewing explains that this is the first hay and pasture survey ever made in Illinois. It is a joint effort of the Illinois College of Agriculture and the crop reporting service. The purpose is to learn how legume-grass mixtures are being used for hay, pasture, silage, seed and green manure, and also to measure future progress in these uses.

"We need every return we can get," declares Ewing, "so that each county farm adviser can have accurate estimates for planning the best possible local legume-grass program."

"We're counting on each person to do his best to return the questionnaire if he received one," says Ewing.

Lightning Rod Tip

The best lightning rods in the world cannot protect your buildings if connections between the point and conductor wire are loose or if the system is not well grounded.

D. W. Winter, farm fire protection specialist at the Illinois college of Agriculture, also advises locating the conductor wire at least 5 feet away from electric or telephone wires and protecting it from damage. Damage protection is especially needed near the ground, where machinery or livestock may tear the wire loose.

Winter says the ground wire or rod should go down into the ground at least 12 feet.

With July at hand, anglers throughout the country set their interests in taking black bass. As a group, the large and smallmouth bass and their relatives form America's favorite fresh water fish.

For the sport, action, and skill involved, many anglers prefer to catch bass by means of bait casting. Some of those fine bass lakes of Wisconsin, Minnesota, and Michigan have yielded prize winning smallmouths, and from North Carolina to Florida and Texas huge largemouths have been duped by darting plugs.

You take "The Ozark" tubular steel bait casting rod 5 1/2 feet in length, attach a "Hibridge" level wind casting reel filled with 50 yards of 12 pound test Skirr braided nylon casting line, snap on a Schmoo plug bait, and cast it to the lily pad clusters or weed set-backs. You have just the right outfit to tangle with the 10 and 12 pound largemouths, or 5 pound scrappy smallmouth bass.

In plugs, to cover every condition, you need both solid and jointed, top water and deep running; and these should be in red-and-white, green-and-yellow, scale finish, and shore minnow finishes.

These lures, together with double spinners, single spinner with pork strip, and ordinary nickel spoons, are reliable summer tempters when the bass are deep and both casting and trolling is to be done.

You may weight the plugs where the water is deep over a grassy bottom, and troll them at moderate speed in a hitchy sort of fashion. Often this plan brings good sized bass to net. Lake George, in New York, is one notable place where this system has worked successfully.

Other tips on taking bass by bait casting, and especially at night, are given in Old Hi's free booklet called "Fishing For The Millions", and a copy will be sent to you promptly if you'll drop a penny postcard request to me, in care of this newspaper. We'll have more to say about taking bass by other methods in a week or two.

Since bass, walleyes, pike, and pickerel are so fond of minnows, you should use one of the new double duty galvanized pails with 10 quart floating bucket. This features a new built-in bait can to carry worms, crabs, or frogs, which makes it extremely handy for extended trips or when several fellows go along in the along in the party. Here's an angle you should consider if you go after these game fish often, when a variety of bait counts.

Live bait boat fishing is very popular and effective along both the Atlantic and Pacific Coasts, and for this sport you want a good boat rod. Both the "Chesapeake" and the "Jamaica", 5 1/2 feet in length overall, are fine tonkin bamboo boat rods. In tubular glass salt water boat rods, you would find the "Pompano" and "Admiral" to be ideal for general use.

By sending for your free copies of Old Hi's booklets "Salt Water Sports Fishing" and "Pacific Coastal Fishing", by addressing a postcard to me in care of this newspaper, you'll learn how best to use boat rods of this nature for taking all kinds of inshore game and food fish. Send for your copies today.

IN MEMORIAM

NIEDRINGHAUS, Wilfred. In loving memory of our dear son who passed away six years ago, July 15, 1946.

It was sad to part with our son we loved,
While here on earth we stay,
But then a brighter thought comes,
We'll meet again some day.

God knows how much we miss you
Never shall your memory fade
Loving thoughts shall always wander
To the spot where you were laid.

NEW QUARTERS

To enable us to give even better service
to the people of Tinley Park and surround-
ing areas, Jacobs & Capalello will soon oc-
cupy a brand-new TV and appliance store
in Tinley Park's new modern shopping
center.

We handle most makes of TV and ap-
pliances. You can depend on us, too, for
lower prices.

CULLIGAN serves all your water conditioning needs

YOU CAN ENJOY CULLIGAN SOFT WATER SERVICE

There's no equipment to buy,
no work for you to do when
you have Culligan Soft Water
on a service basis! We install
our portable water softener in
your home—and we take care
of it. You simply turn the tap
for all the silky soft water you
need. As with your tele-
phone, you receive a
small monthly bill for
the service alone. That's
all there is to it.

As low as \$2.75 per month
for the average family

YOU CAN BUY YOUR OWN CUL-MATIC WATER SOFTENER

Unlike other companies who
sell water softeners and then
let the owners worry about
taking proper care of them,
Culligan offers a unique
“Owner-Service Plan.” With
this Plan, you own the soft-
ener, but it is designed for inter-
change with our Service unit
so that the Cul-matic can, on
occasion, be professionally
sterilized and rejuvenated at
our plant. Call us for details.

\$199.50 and up

The opening of the North
Tinley Park Shopping Center marks another impor-
tant step in the economic
life of Tinley Park, and is
in line with the spirit of
progress that has been evi-
dent in this community thru
out the years.

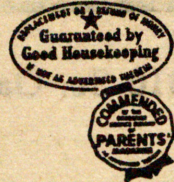

Few villages of this size
can boast a modern shop-
ping center such as this,
which places within easy
reach a concentration of
new stores and offices that
make for convenience and
time-saving.

We cordially invite you to come and shop in our modern self-service
Drug Store, carrying complete lines of mens and womens fine toiletries,
drugs and sundries. Our prescription department is equipped to serve
any doctor's prescription.

Stop and lunch at our modern Restaurant featuring full dinners and
short orders with everything home cooked.

During our grand opening which will be announced shortly, we will
have lovely gifts for everyone.

Don't wait to enjoy the benefits of soft
water living—it will bring your family new
comforts, conveniences and savings all
through the house. Talk it over today with
the water conditioning experts in your com-
munity—at CULLIGAN SOFT WATER
SERVICE headquarters.

TINLEY PARK

Tel. Tinley Park 728

Mr. and Mrs. Wm. Funk entertained her son and wife, Mr. and Mrs. Mark Nalshow, and their two boys of St. Louis, Mo. last week. A pleasant time was spent attending ball games and seeing other places of interest.

Mr. and Mrs. Pat Carr and children returned home Wednesday from a five day visit with friends in Cedar Rapids, Ia.

Mr. and Mrs. Kenneth Schmudde spent the weekend at Bonner Lake, Wis., where her parents are vacationing.

Mr. and Mrs. Harry Schmidt and family visited Rev. and Mrs. Fred Shandorf and Pamela, at Vernon Center, Minn., over the weekend.

Mr. and Mrs. Ed Hug and Roger were entertained at dinner Sunday, in the Cloud Room at Midway airport, by their son Jerry, in celebration of their anniversary.

The James Darby family were guests of their aunt, Evelyn Hermonson, at Eau Claire, Wis., where they enjoyed a week's vacation with fishing as one of the main attractions. They returned home Thursday.

Fourth of July dinner guests of Mr. and Mrs. Charles Kelly

were her brother and wife, Mr. and Mrs. Lee Lau, their daughter and son in law, Judy and Wally, and daughter Debra, all of Chicago.

Mr. and Mrs. Omar C. Ebenhack enjoyed a pleasant automobile trip to the Leelanau Peninsula, Grand Traverse Bay, Little Traverse Bay and Indian River areas in Michigan last week. Good weather prevailed and much beautiful scenery was observed.

The Ways and Means Committee of the Tinley Park Woman's club met July 3 in the home of Mrs. Fred Pottberg to discuss plans for future ways and means projects. One that will take place in the near future will be a luncheon and lawn party at the home of Mrs. Joseph Lebowitz, Tuesday, August 12 at 1 p.m.

The Fellowship of Christian Women will meet Thursday at the home of Margaret Smothers 17217 Oak Park ave, for Bible study with Edith Ross.

Mr. and Mrs. Clyde Miller of Ramona, Calif. were guests of Mr. and Mrs. Ray Callahan for the past week. Mrs. Miller is Mrs. Callahan's sister.

The Tinley Park Church of Christ will hold their annual picnic July 27 at the home of Mrs. Lucetta Douglas, at noon.

A potluck luncheon was held at Elaine Brandau's home in Monee July 1, for the regular Miriam circle meeting. There was a short business meeting, with 20 members and their children present.

Mrs. L. M. Agler, Conference promotion secretary of the Woman's Society of Christian Service, answered questions and spoke on the Circle's relation to the WSCS.

Mrs. Clarence Brown returned Sunday from her home town, Mankato, Minn., where she attended their centennial celebration. She was gone 10 days and renewed many old acquaintances.

Wanda Funk, Franny and Kay Swisher of troop 239 left yesterday for a two weeks stay at the Brownie camp at Camp Manistee, Mich.

The next regular meeting of the Tinley Park Garden club will be held at the home of Mrs. Edmund Moss Thursday, July 17. Pvt. John Buitter, Jr., son of Mr. and Mrs. John Buitter, 139th street, has completed basic training recently at the medical replacement center at Camp Pickett, Va.

The Brotherhood of Zion Lutheran church and their families enjoyed a wiener roast at the Tinley Creek forest preserves Tuesday evening.

Chicago Maternity Center Delivered 53,000 Babies

The Chicago Maternity Center has delivered more than 53,000 babies and given obstetrical training to almost 7,000 doctors and medical students since 1932.

That was what Dr. Beatrice E. Tucker, 1720 E. 56th St., medical director of the famous obstetrical clinic, told the annual meeting of the Center's board of directors which met at 12:30 p. m. June 24 at the Racquet Club.

Dr. Tucker is just finishing her 20th year as medical director. She pointed out that in 1951 alone the famous obstetrical clinic delivered babies of nearly 3,400 needy Chicago mothers in their homes and taught nearly 300 medical men and women.

John J. Borland, Lake Forest, 1951 treasurer, reported that it costs the Center about \$50 to deliver a baby. This figure includes the maintenance costs of the clinic as well as actual medical expenses.

Other speakers were Mrs. John Andrews King, Lake Forest, chairman of the board, who presided; Alexander Ropchan, executive secretary, Health Division, Welfare Council of Metro-

politan Chicago, who discussed the Center's role in community health and welfare; and Miss Helen E. Hoffman, 936 N. Lake Shore Dr., Center executive director, who reviewed the year's activities of the traveling hospital.

Miss Hoffman said that students from three large medical schools receive training at the Center. These are Chicago Medical School, Northwestern University, and the University of Wisconsin. The Center has a rotating residency plan with Wesley Memorial Hospital and Northwestern.

Miss Hoffman pointed out that the Center has a close working relationship with Wesley Memorial Hospital. Maternity Center patients with medical complications are taken there for special care. Last year 133 mothers-to-be who needed hospital treatment were admitted there.

Those elected to office at the annual meeting were Mrs. John Andrews King, chairman, who has served in this capacity for 10 years; Daggett Harvey, 2430 Lakeview ave., president; Mrs. Harry B. Clow, Lake Bluff, vice chairman; Mrs. Henry P. Wheeler, Lake Forest, vice chairman; Howard F. Gillette, Lake Forest treasurer; Thomas R. McMillan,

PAINTING COSTS CUT ABOUT HALF!
ONE COAT DOES A "2 COAT JOB!"
SUPER CHIEF ONE COAT HOUSE PAINT
READY TO USE! NO THINNING!
NO SPECIAL PRIMER NEEDED!

You cut your house painting costs practically in half with this new paint...because just one coat applied over a painted surface in fair condition for repainting produces a finished job that rivals 2-coat painting in looks and performance. You save the time, trouble and additional material cost of a second coat. This paint is ready to use as it comes. No thinning is necessary—just stir and apply! And NO special primer is needed. On new wood or bare spots a first coat of this material itself is specified. (Comes in White only.)

HINTS for the Handyman

No. 6 Checking Your Fan
When your fan won't run, disconnect it and try turning blades by hand. If they turn easily, the trouble is probably electrical. Check the brushes—make sure they are clean; that they have not worn past the point of good contact. Check the cord for breaks. If your fan is of the brushless, induction type, better have a serviceman check the starting mechanism.

New Ben Franklin Store to Operate On Self-Service

A new modern Ben Franklin franchised store will open soon in Tinley Park. Located at 17054 Oak Park avenue, the store will occupy approximately twenty nine hundred square feet of a new building built by Elmore Realty Co. at 171st St. and Oak Park avenue, just south of English Brothers Garage building. While the opening date is not yet definite, it is expected that it will be about the third week end in July.

The store will be owned and operated by William F. Moore, who states that it will operate on a self service basis and will stock popular priced 5 and 10 cent store merchandise. The merchandise will be bought under the Butler Brothers Co.'s Syndicate plan.

This plan enables these locally owned and operated stores to offer nationally known and advertised items at competitive prices.

The new Variety Store, along with a new Drug store and a new Television Sales and Service store in the same block, will help to round out the services offered by this shopping center which already includes a Super Market, Bakery, Beauty Shop, Ladies Apparel Shop, Cleaners and Pressers, Shoe Repair, Soft Water Service and Garage with Service Station.

Mr. Moore, formerly of Paoli, Ind., has bought a home at 6624 West 171st Street and will bring his wife and two year old daughter here to live as soon as he is able to get possession of the house.

Public Invited to Inspect Culligan Soft Water Plant

The Culligan Soft Water Service company of 17028 Oak Park ave., Tinley Park, was organized in 1946 in Oak Park. Carl H. Leonard who had served as a captain in the United States Air Corps during the war years, was appointed manager and is still acting in that capacity.

During the next five years the rapid growth of this company due to the need and great demand for soft water "The Culligan Way" necessitated the opening of the new, modern, highly efficient plant in Tinley Park in July 1951. At the present time the company is exchanging over 3500 service tanks each month and Mr. Leonard reports that the requests for new service installations are running at an all time high. As no salesmen are employed the rapid growth has been due entirely to satisfied customer recommendations.

In addition to the nationally famous service as rendered thru out the United States, Canada, and Alaska, the Culligan engineers and research department developed the "Culmatic" water softener for outright sale and permanent installation in the home. This unit has features which make any other softener on the market today obsolete and antiquated.

Mr. Leonard cordially invites inspection of the new plant at any time and will be happy to demonstrate the dramatic "Culmatic" as well as answer any questions on any phase of water conditioning.

CARD OF THANKS

Wannemacher, Florence—We wish to thank our relatives, friends, and neighbors for the kindness shown us during the illness and death of our dear wife and mother, daughter and sister. We especially wish to thank Rev. William Riemann for his comforting words and Oliver Kieslar for his songs; also for the beautiful floral offerings and to those who so generously donated the use of their automobiles.

GEORGE WANNEMACHER
PHYLLIS, MARILYN, DORIS
and ROBERT YUNKER
MRS. MARY SCHWESER
MRS. RUTH ALLISON

IN MEMORIAM

SCHMIDT, Emma.—In memory of our mother who passed away one year ago July 8.

The Golden gates were opened wide,
A gentle voice said, 'Come'
And Angels from the other side,
Welcomed our loved one home.
THE SCHMIDT FAMILY

Alvin Sorensen returned to his work at General Electric in Chicago Tuesday after a three weeks vacation.

Mrs. George Dath arrived in Mokena Friday by plane from their ranch home in Douglass, Ariz. Mr. Dath and son who had been here had returned to Douglass and he brought back with him his daughter Patty. Mrs. Dath returns to Douglass Wednesday. The Daths have rented the new Teske home on

Wolf road south of the village. As soon as they can sell their 12 section ranch in Douglass they will all return to Mokena.

The Ladies Aid of the Immanuel Lutheran church will meet this afternoon, July 10, in the church.

The Afternoon pinocle club will meet in the home of Mrs. Walter Spiess next Wednesday afternoon.

Mr. and Mrs. Henry Shevlin returned last Friday from a motor trip to the northern states, and up to the Canadian border. Mr. and Mrs. Emory Fulton and daughter of Tinley Park stayed in their home during their absence.

A picnic dinner was enjoyed on the Semmler-Westlund lawn July 4. Guests were Mr. and Mrs. John Dodsworth, Claresholm, Canada; Mr. and Mrs. W. E. Houchin of Texas; Theodore Oestreich, Mrs. Phoebe Gribble, Joliet, and Mr. and Mrs. Hugh Deadmore. In the evening the Dodsworths, Semmlers and Westlunds attended the American Legion July 4 celebration in Soldiers Field, Chicago.

The Youth Fellowship of St. John's church will hold an outing at the Bass Lake Indiana State park on next Sunday. Departure will be from the church at 7:30.

A total of 69 people attended the 4th of July picnic of the Sunday Evening club of St. John's church at the Roy Kropp lake home at Bass Lake, Ind. It was a perfect day for everyone.

The Women's guild of St. John's church will meet in the church next Thursday afternoon July 17. Serving on the committee will be Mesdames Adolph Steen, Albert Lorenz, Clarence Mast, John Yunker, Paul Rauch, Lester Christensen, Edward Martie, E. G. McMahon, Orville Yunker and Harold Spiess. This will be a handkerchief shower.

Mr. and Mrs. Howard Beagley, Mr. and Mrs. Clarence Breitbarth motored to Milwaukee Monday.

Mrs. Rose Knudson is spending a few days this week with her son Clyde and family in Wis.

Returns to Finish Pension Term, Dies

About a year ago the family of Mr. and Mrs. Norville F. Schultz left Mokena for their new home at Yucaipa, Cal., where they had established themselves in the chicken business. This is in the southwestern part of California.

After a time the bottom dropped out of the business, and Mr. Schultz returned to his job in Chicago to finish out his time for a pension. Having finished this time, he returned to his California home on June 25th. A few days later, on July 5, he suffered a fatal heart attack.

Mr. Schultz was 49 years of age. He leaves, besides his wife Alma, two sons, William 17, and David 14, and a sister Mrs. Nellie Stoffel of Los Angeles. Also another sister in Chicago.

According to word received by George Dath, a brother of Mrs. Schultz, services were held in California followed by cremation.

Sailor Comes Home On 30-Day Leave

Yeoman 2-c Richard White, son of Mr. and Mrs. Ival White of Mokena, returned home last Thursday to spend a 30 day leave with his parents.

Richard has served 3½ years in the navy and during that time has been on the USS Salem, flagship, this country's newest heaviest cruiser, in the Commander 6th fleet.

For the past year Richard has been on maneuvers in the Mediterranean sea area. During that time he had many occasions to visit cities in the countries of that location.

Richard will report at the Great Lakes training center where he has signed up for 1½ years and will be located in the office of the administration.

County Farm Bureau Ball Team Sponsors Trick Donkey Game

The Will County Farm bureau base ball team will play the Chicago Heights Falcons at Manhattan Saturday night July

12 at 8:15 under the lights. The team plays every Thursday and Sunday nights and are always interesting games.

Of special interest will be the Donkey Softball game to be played at Manhattan Athletic field Sunday night, July 13 at 8:30. This will be the comedy show of the year as the live don keys are tricky indeed. The games are from 5 to 7 innings, with nine players on each team.

To Display New Heavy Duty Tractor

Two new heavy-duty John Deere 2 and 3-plow tractors, successors to Models "A" and "B", will be announced Saturday, July 19, by Bettenhausen Implement Co., Tinley Park.

According to Herbert Bettenhausen, manager of Bettenhausen Implement Co., these new tractors feature a host of engineering advancements and major improvements which make them the greatest values ever offered by John Deere. Mr. Bettenhausen states that one of the new models will be on display Saturday, July 19, and he extends a cordial invitation to everyone to stop by and see the new tractor.

Harvey Man Buys Anvil Lake Resort

Mr. and Mrs. Bud Town of Harvey have recently purchased and are now operating Bert Kennedy' Resort on Anvil Lake, located on Highway 70, nine miles east of Eagle River, Wis. Mr. Town is known to a great many residents of Tinley Park as "Al Town."

Anvil lake enjoys a fine reputation among fishermen who make periodic trips to the great North Woods. Good catches of walleyes, northern pike, bass and pan fish are common here.

The services of Mr. Town as guide are available to visitors.

Tinley Boy on Sachs TV Program Sunday

Eight year old Tommy Blount, son of Mr. and Mrs. Max Blount of Tinley Park, will appear on Morris B. Sachs' amateur TV program Sunday. Tommy will sing, and it is hoped that many Tinley residents will be tuned in.

VISITORS FROM SWEDEN

Relatives of Mr. and Mrs. Knute Lovegren from Stockholm, Sweden, stopped at the Lovegren home in Tinley Park Sunday for a few hours visit on their way to Chicago, where they will visit other relatives.
